Maths

TT Rockstars (15 minutes)

My Maths: Complete the set activities

Complete the My Maths activities set for over Christmas. This would be a very good opportunity to complete any activities that are overdue.

Reasoning (30 - 40 mins)

'The Twelve Days of Christmas'

Read through the 12 days of Christmas (or even sing) and then answer the problems.

You'll need lots of scrap paper because my top tip for this activity is DRAW IT DRAW IT DRAW IT!

After reading (or singing) through the song, please answer the following questions:

1. How many gifts are there altogether?
2. How many people are there?
3. Are there more people or birds?
4. How many legs are there altogether?
5. Can you create any other problems based on this song?

Remember, these questions are based on the entire song and all the gifts that were given on each day.

Good Luck!

English (20-40)

Watch the video <https://vimeo.com/373076984>

Write a diary as Edgar the dragon.

Write an apology from Edgar the dragon.

Write a news report about the damage Edgar the dragon has caused.

Spelling (5-10 mins a day)

- Practise spellings from your spelling list.

Vocabulary - (5-10 mins a day)

Record one new word a day and find out its meaning. Teach it to others in your family and try and see who can use it in conversation - you could make it into a competition.

Topic Project (30mins) Art/RE

Draw a modern version of the Nativity.

If Jesus was born in 2020:

Where would he be born?

What would his mother and father look like?

Who would visit him? What gifts would they bring?

Computing (30 min)

Turtle Logo Playground

This half term, we have been designing, debugging and algorithm(ing) with Turtle Logo Playground.

Visit: <https://turtleacademy.com/lessons>

This link will take you to a version of Turtle Logo with a range of lessons you can pick from. Each lesson comes with a set of instructions.

Physical Education

Exercise (30 mins a day)

Try out this Christmas dance video: <https://www.youtube.com/watch?v=YY79ujqfsk8>

OR

Or spend time doing another form of physical exercise you enjoy.

You can also check out the 'PE and Staying Healthy' page on our website.
