

## Google Classroom Challenges

This week we will be trialling some small activities on google classrooms. These are designed to help the children practise all the google classroom skills they might need. We would recommend trying the google classroom challenges but **if you cannot complete them please do not worry**. There will be a chance to share your opinion with a survey at the end of the week.

### Monday

Google classrooms challenge: Log in to Google Classrooms and say Hello!

The google classrooms link is [classroom.google.com](https://classroom.google.com).

### Tuesday

Google Classrooms Challenge: Access a resource and comment.

Log into Google Classrooms and look at the resources that will help you with your vocabulary work. Then put a comment in the box below.

Google classroom challenge: Answering a question.

When you have finished your R.E. log in and answer the question 'What is the impact of going on a pilgrimage?'

### Wednesday

Google Classrooms Challenge:

On google classrooms there is a physical activity challenge. Have a go and tell us in the comments how well you did.

### Thursday

Google classroom challenge: Hand in work

Take a photo of your spelling practise and upload it to google classrooms.

### Friday

Google classrooms challenge: complete a survey.

Log in to google classrooms and complete the survey telling us how you found using google classrooms this week.
