Year 3 Natural History Museum

Dear Parents/Carers,

On the morning of **Thursday 21st May** Year 3 will be visiting the Natural History Museum as part of their Geography topic on Volcanoes. We will be leaving at **9.10am**, so please ensure children are in on time. We expect to return by 3.30pm.

We will be travelling by train from Gordon Hill Station and then getting the tube from Finsbury Park. **There will be a cost of £3.55 per child as we will be doing a workshop at the museum.**

Children will need a pack lunch for the trip. Please Choose the packed lunch option on ParentPay for this day if having school dinners. Please specify when giving consent if you will be supplying a packed lunch from home.

Consent will need to be completed via ParentPay including payment for the workshop. Please can you complete this by 8th May 2026.

Please ensure your child brings a coat/rain jacket and wear their school uniform.

We would be very grateful for extra adult helpers on this trip. If you are able to help, could you please could you email replyto@st-michaels.enfield.sch.uk by Friday 1st May 2026.

Many thanks,

Year 3 team
