Dear Parents,

Thank you for your welcome and warm wishes on the gate this morning. It was lovely to greet your children and to see them looking so smart and excited to be back.

We have had a great start today with a whole school assembly - Year 1 very eager to contribute which was reassuring to see - lots of smiling faces and well behaved, engaged children. I've enjoyed meeting quite a few of them during their playtimes, I have a long way to go with learning all of their names but they've promised to bear with me.

As you are aware, we had two Inset days last week - during this time I had the chance to get to know the staffing team and to start to feel part of the school community. I am so excited to work with such a dedicated, supportive and hardworking team - whose vision and values are aligned with mine.

Your children will continue to be at the centre of all we do here at St Michael's - as a mother myself I know how important it is to feel confident that your child is in an environment that is safe, nurturing, purposeful and one where they will be happy and receive the best education we can offer.

My vision for the curriculum is that we remain distinctive as a church school, that all children have a sense of belonging and feel valued and celebrated, that what they are learning has relevance and purpose and that we continue to drive and build our Leaders of Tomorrow.

We will be having Meet the Team meetings and Learning Cafes (see dates below) - I will be dropping into these meetings to have the opportunity to meet you. I understand that you may not be able to attend these meetings and the teachers will be putting the PowerPoints onto Google Classroom for you to see information shared.

I will also be organising a coffee morning during this half term and will send out details nearer to the time giving you as much notice as possible.

My aim is to be at the school gate before and after school - please feel free to introduce yourselves - I look forward to meeting more of you during the next few weeks.

Thank you for your continued support.
